

# Meet **ELIAS** From **ZAMBIA**

Elias is a member of an Oxfam supported dairy co-operative in Laukshi District, Zambia. The sales of **LEM LEM** paint are helping people like Elias to support their families by improving their ability to earn a living. The Chati Milk Collection Centre, built by Oxfam and the community is the first of its kind in the district. The Milk Collection Centre helps the co-operative members to process and market the milk collectively, this is through training support and helping to connect the co-op with local markets.
