

Meet **GODFRIEDA** From **ZAMBIA**

This is Godfrieda - the head of the local Kabwadu women's club, a banana project, in Chirundu district Zambia. Through sales of **LEM LEM**, Oxfam have been working in communities like Godfrieda's in Zambia to empower small communities and female smallholding farmers. Oxfam helps farmers earn a living through their work, by offering training to build agricultural skills and establishing links between farmers and markets.
